**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who supports broadband competition. My internet connection is fiber provided by Sonic. Before my only choice was Comcast cable internet and that service was horrible.

My understanding is that if this ruling goes through my Sonic service will be materially and negatively affected.
